Hamza Lasri

+41 76 263 95 74 | LinkedIn | hamza@lasri.ch

Education

Eidgenössische Technische Hochschule Zürich (ETHZ) — Zürich, CH

Master of Science in Applied Mathematics — *Sep. 2026 – Jan. 2028 (Expected)*

- Application area : Machine Learning

Ecole Polytechnique fédérale de Lausanne (EPFL) — Lausanne, CH

Bachelor of Science in Mathematics — *Sep. 2023 – Jul. 2026*

- Coursework includes: *Linear Algebra, Discrete mathematics, Vector analysis, Real/Complex analysis, Group theory, Galois theory, Measure theory, Probability theory, Statistics&Linear models, Ordinary differential equations,PDEs and Sobolev spaces, Functional analysis, Analytic number theory, Numerical Analysis. GPA 5.5/6.0*
- Bachelor Project : *Goodness-of-fit testing in High-Dimensional Models (Final grade 5.75/6.0). Advisor : Prof.Sven Wang.* Bachelor Project

Ecole Polytechnique fédérale de Lausanne (EPFL) — Lausanne, CH

Cours de mathématiques Spéciales — *Sep. 2022 – June 2023*

- Preparatory year for admission into EPFL's Bachelor program *GPA: 5.48/6.0*

Groupe scolaire Al Hanane II — Agadir, Morocco

Moroccan high school diploma — *Sep.2016 – June 2022*

- Majoring in Mathematics and Physics, ranked 1st out of 40 within the school and 5th within Souss-Massa region. *GPA: 18.43/20*

Experience

Ecole Polytechnique fédérale de Lausanne — Lausanne, CH

Teaching assistant in Calculus and linear algebra for Engineering students — *Sep. 2024 – Jul. 2025*

Technical Skills

Languages: French (*native*), Arabic (*native*), English (*Proficient*).

Programming: Python, C++, R

Extracurricular activities

Math&Maroc — Rabat, Morocco

Member of the association — *June 2024 – Present*

- Math&Maroc is a Moroccan NGO aiming at promoting mathematics and science in Morocco. LinkedIn page
- Part of the organizing team of the Moroccan Day of Mathematics (MDM) 2025 and lead of logistics. (MDM)
- Member of the scientific committee of the MTYM (Moroccan tournament of young mathematicians (MTYM)

Math&Maroc — Rabat, Morocco

Vice-President MDM 2026 — *April 2025 – Present*

- Vice-President (Lead organizer) of the 3rd edition of the Moroccan Day of Mathematics 2026 which is the largest mathematical event in the history of Morocco (More than 1800 participants)

ETEAM 2025 — Lyon, France

Team leader of the Moroccan National team — *July 2025*

- Team leader of the Moroccan national team which ranked 3rd out of more than 10 teams at the European Tournament of Enthusiastic Apprentice Mathematicians

ETEAM 2026 — Lausanne, CH

Team leader of the Moroccan National team — *Augusts 2026*

- Team leader of the Moroccan national team (ATAX) at the European Tournament of Enthusiastic apprentice mathematicians at EPFL. 2nd prize winners.
